BGCO STAFF

Our Staff are trained professionals. Each staff member meets or exceeds all qualifications as required by the State of California and Boys & Girls Clubs of Oceanside. Based on grant requirements, school site programs maintain a minimum staff/child ratio of 1 to 20.

Child Abuse Reporting Procedures

All staff are mandated child abuse reporters. In the event that there is an accusation of child abuse, Boys & Girls Clubs of Oceanside will take prompt and immediate action. We will make a report in accordance with relevant state and local child abuse reporting laws and will cooperate to the extent of the law with any legal authority involved.

First Aid

BGCO Employees are trained in CPR and First Aid and adhere to OUSD health and safety guidelines. Parents/guardians should notify BGCO staff of any health concerns that might interfere with BGCO program.

Staff will handle minor injuries sustained in the program. The staff will use soap, water, ice-packs, and Band-Aids. Parents will be notified of these incidents. In case of an emergency, 911 will be contacted immediately & your child will be transported to the designated emergency center. BGCO staff will accompany your child until the parent/guardian has arrived.

If your child needs: BGCO does not have access to school storage, please provide EpiPen to BGCO so they are able to store properly.

Court Restrictions:

It is important that BGCO be informed and provided all legal documents to ensure that we can support families in a safe transition. Please provide documentation should there be pick-up, drop-off requirements and/or any court restrictions for example, restraining orders, custody documentation.

HEALTH ISSUES & MEDICATION

We take the health & safety of all children very seriously. Allergies of any kind should be brought to the attention of BGCO management, along with any specific instructions or accommodations.

Members are not allowed to possess medication without a physician's authorization on file. Examples may include , but are not limited to: cough syrup, inhaler, epi-pen, advil, etc.

Due to the dangers of an allergic reaction, the following cannot be administered by our staff: lotions, ointments, and over-the-counter medications.

EpiPen- EpiPens are prescribed medication. In the event that a member needs an EpiPen administered, a CPR/First Aid certified staff member can support your child with the EpiPen using the appropriate measures, as demonstrated in their training. Parents must follow the Boys & Girls Club medication procedures before an EpiPen is stored at the Club or school site.

EMERGENCY CONTACT INFO

It is important that we maintain current and accurate records on each child so that parents can be contacted in case of an emergency. You must complete a registration packet prior to attendance. These forms must be kept current at all times. It is your responsibility to notify the Site Director of any changes within 24 hours.

Emergency Closing Procedures

Due to an act of nature or other unforeseeable emergencies, BGCÖ programs may need to close.

Circumstances include (but are not limited to):

- Loss of power affecting lights and heat/air
- Lack of lighting after dark (during winter)
- Lack of running water
- Flooding, earthquake or fire

If the school is closed in the morning due to any of the above, the after school program will be closed. If the school closes during the day due to an emergency, early pick-up must be arranged as the after school program will also be closed.

In the event of a natural disaster, children may be relocated to ensure their safety. Parents and/or emergency persons will be contacted. Disaster Drills are conducted monthly with program members and staff. Such drills do not require your child to leave the center grounds; each drill is evaluated and documented.

BGCÖ reserves the right to close based on concern for the health and safety of the children.

DISCIPLINE POLICY/ BEHAVIOR MANAGEMENT

Children are expected to maintain appropriate behavior as a condition of continued service. Children whose behavior has an adverse effect on the other children, either directly or through requiring excessive staff time, cannot be offered services.

The following behavior management techniques are utilized

Encouraging positive behavior by continuous reinforcement.

Redirecting a child's inappropriate action to a more acceptable behavior.

Reminding of the rules, discussing the problem with the child, and reflection time will follow.

Parents will be informed and included in seeking solutions. If necessary, parent conferences will be held to further address a discipline issue.

If none of the above measures are effective, your child will be asked to leave the program.

If members are suspended from school, BGCO reserves the right to evaluate each case individually to determine if members will be permitted to attend the program during program hours.

Types of discipline not permitted at BGCO include, but are not limited to: corporal or unusual punishment, humiliation, intimidation, ridicule, mental abuse, threats, withholding of food, coercion, or infliction of pain.

Boys & Girls Clubs of Oceanside reserves the right to terminate the child's enrollment as a final step in handling unsafe, aggressive behavior and for the protection of all children. Enrolled in the program.

BGCO hopes to resolve most problems through a discussion and agreement with the member. If we are unable to resolve the problem, we will need to contact a parent or guardian. If continued violation of these rules occurs, parents will be called to pickup the member immediately. Additional continued behavioral problems may result in suspension from Boys & Girls Clubs of Oceanside.

I hereby grant permission for the release of my child's health records for enrollment or placement, as needed.

I understand that if my child is ill or shows signs of illness or communicable conditions that s/he is not to be brought to the Club for care. If s/he becomes ill during the day, the child must be picked up immediately.

- Call 911
- Attempt to contact parent/guardian
- Attempt to contact parent/guardian through any of the persons listed on the Emergency Information form completed

We will make every opportunity to contact you. If the situation warrants we will call 911 and your child will be taken to the closest hospital. BGCO will not be responsible for anything that may happen as a result of false, incomplete, or outdated information provided by the parent or guardian.

Civility Expectation Protocol

We ask all parents to help maintain a safe, harassment free workplace for members and staff. We will not tolerate any behavior, which is physically or verbally threatening, coercive, intimidating, violent, or harassing. Other behavior which is otherwise out of control will not be tolerated. Members or parents who violate this protocol may be restricted and services may be stopped by BGCO.

If there is a problem or concern that can't be resolved with your Site Director, please reach out to schedule an appointment with the Chief Operating Officer, Tammy Walz : (760) 433-8920 X 102

PARENT INVOLVEMENT

While BGCO invites and encourages parents to visit the Clubs, for the health and safety of all members, please contact the Site Director to arrange a time to visit. Having a pre-arranged time, allows us the opportunity to be available to answer any questions you may have.

We ask that you are respectful of the children's routines and programmed activities.

Parents can enrich their child's experience in the program by volunteering to help at your BGCO Club. Should you be interested in volunteering, the following process must be followed.

1. Complete and return the volunteer application
2. Complete and receive clearance of a background check.
3. Complete ONLINE mandatory training.
4. Participate in a BGCO volunteer orientation.
5. Provide proof of vaccination or complete and return medical or religious exemption paperwork.

All steps must be completed prior to volunteering or completing service learning.

SMART MOVES

SMART Moves (Skills Mastery and Resistance Training) is a Boys & Girls Clubs of America's nationally acclaimed prevention program. This education program addresses the problems of drug and alcohol use and premature sexual activity. Based on proven techniques, the program uses a team approach involving Club staff, peer leaders, parents and community representatives. More than simply emphasizing a "Say No" message, the program teaches young people ages 6-18 how to say no by involving them in discussion and role-playing, practicing resistance and refusal skills, developing assertiveness, strengthening decision-making skills and analyzing media and peer influence.

Goal: To promote abstinence from substance abuse and adolescent sexual involvement through the practice of responsible behavior. The curriculum includes:

- Discussion of topics that are relevant to your child's stage of development.

- Teaching facts about alcohol, tobacco, and other drugs and the risks of teen sexual involvement and HIV/AIDS. We will not discuss our personal theories or beliefs.

- Teaching youth how to avoid negative peer pressure.

If you have any questions about the SMART Moves curriculum and how your child will be involved, please see your child's Site Director or contact Hillary Wheeler, Director of Program Initiatives, at hwheeler@bgcoceanside.org.

Should you NOT wish your child to participate in Boys & Girls Clubs of Oceanside SMART Moves program, please provide a written letter to the Site Director.

In addition, because of grant funding requirements for programs and the need to know whether these classes are effective, we may administer pre- and post-tests, an anonymous questionnaire about a child's personal background, and, in some cases, keep progress notes on participants. These items may be necessary in order for our funding sources to evaluate the success of our program. All of the above information will be kept strictly confidential.

INFORMATION FOR ALL PROGRAMS

MEALS

Through the National Summer Lunch Program & OUSD, we provide members with a nutritious lunch and snack every day during programming. Lunch is served daily from 12:00 p.m. – 1:00 p.m. beginning the 1st day of camp. Lunches must be eaten in our designated area, and no food is to leave Boys & Girls Club. If families desire, they may pack their child's own lunch for camp. Please pack nutritious food. Soda, candy and other junk food are NOT permitted.

Our Townsite afterschool program, through a grant by CA Dept of Education, provides a healthy meal and snack following USDA guidelines.

Members, families, and visitors are not allowed to eat or drink freely throughout the program. Food and drinks are to be consumed in the designated eating areas.

WATER BOTTLE

Replenishing fluids and remaining hydrated during the program is a must. It is crucial for each child to have a water bottle of their own. Please mark the water bottle with your child's name.

BACKPACK

A backpack is the best way to keep track of your child's belongings. Please label your child's backpack on the inside as many bags look alike. Please do not send your child with expensive personal belongings.

SUNSCREEN

Please apply sunscreen to your child before camp each day, and show them how to reapply it themselves. We also ask that you send sunscreen with your child to camp daily. Staff will remind all children to reapply throughout the day, but will be unable to directly apply sunscreen.

CLOTHING

ELECTRONIC DEVICES:

All electronic devices such as laptops, tablets, iPads, cell phones, headphones, e-books, handheld games, and smart watches for communication purposes are prohibited from being used during the time you are at the BGCO program. They may be in the member's possession but are not to be used unless given permission by a BGCO staff member. All devices must be kept off and, in a backpack, or bag but not on the member for safe keeping. If a member needs to communicate with a parent or guardian for any reason, a staff member can make the attempt to communicate on behalf of the member. We are not responsible for loss of any electronic devices that are brought into the club, and if a device is to be confiscated it will be returned to a parent or guardian at the end of the program day.

SWIMMING

Boys & Girls Club offers swim days during summer camp for children who know how to swim. Please check your child's weekly calendar for swim days. Please send proper swimming attire (no cutoff/shorts), a towel, sunscreen and a plastic bag for wet clothing.

Clothing with inappropriate messages or slogans are not permitted. Members need to wear rubber-soled closed toed shoes. Sandals and flip flops not allowed. Members should be dressed appropriately for outdoor activities.

BGCO Camp T-shirt must be worn on each field trip.

- Members must stay with their assigned group leader at all times.
- Closed toe shoes are to be worn on ALL field trips. Members will remain at the site if proper footwear is not available. Sandals are only permitted after members exit the bus, on any water and beach fieldtrips.

Staff will supervise Internet usage and will use protected search engines; however, it is not possible for BGCO to guarantee that children will not encounter, view, or read inappropriate material. Any unauthorized use of technology is prohibited.
