

## BGCA's MISSION:

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

*"As a single fulltime working parent of two young military children, it is a necessity for me to be able to work and provide for my family. Having a safe, caring, and engaging place for my children to go after school is a bonus. Thankfully, the Boys & Girls Club provides my family with both – dependability so I can focus on my job and the relief of knowing my children are safe, happy and in an environment where they are thriving mentally, physically, and socially."* Anonymous parent of a military youth

*"I am honored to be welcomed in a place, the Boys & Girls Clubs, that understands and supports what we go through as military kids."* Rylei

## WHAT IS MISSION YOUTH OUTREACH?

The **MISSION: Youth Outreach** partnership supports kids and teens, ages 6 to 18, by creating a positive, supportive network. Through this partnership, dependent youth of active-duty, National Guard and Reserve families are eligible to receive a free annual membership or summer camp experience with a Boys & Girls Club. (Additional membership, transportation, summer camp and/or field trip fees may apply at some locations.)

## WHAT DOES A BOYS & GIRLS CLUB OFFER?

Boys & Girls Clubs offer a wide variety of educational, recreational, cultural and social activities for kids and teens. Clubs are designed to maximize opportunities for young people to acquire a sense of belonging, usefulness, influence and competence. A typical Club has an arts and crafts area, gymnasium, computer lab, games room and multi-purpose rooms. Some Clubs have swimming pools, a learning center, camps and outdoor play areas. All Boys & Girls Clubs are staffed by trained, caring professionals who inspire young people to reach their full potential.
